

# Guys and Dolls

## Thursday – May 9, 2019

### 8:00 AM Shotgun Start

This is the Guys and Dolls tournament with members of the Oakwood Ladies Golf Association (OLGA) and members of the Men’s Oakwood Golf Association (MOGA). This is a 4-person game – each Guy and Doll couple plays a 2-person scramble. Record the score for each 2-person team. At the completion of the round subtract each team’s handicap for the net score. Then combine the two scores for the 4-person team score.

#### Magic Putts

Each player has two magic putts (one to be used on the front nine and the other on the back nine) total. Any time a ball is on the green (it MUST be on the green) the player with a magic putt can declare they are using their magic putt to hole out. This must be done prior to putting the ball and counts as one stroke. This adds fun and strategy in the game.

KPs will be held for both OLGA and MOGA on separate par 3 holes. KPs for OLGA will be Sonoran 3 and Lakes 2. KPs for MOGA will be Sonoran 8 and Lakes 6. Cash will be awarded to the winners of each KP.

Coffee and donuts will be available in the morning. There will be pizza and a drink afterward at the Poolside Café for Leaderboard presentation and paying out the KPs. A fee of \$25.00 is required to defray some of the costs.

Registration is required and can be accomplished by filling out the form below and attaching the \$25.00 entry fee. The first forty registrations from each club submitted are part of the tournament. If we receive more than 80 players, a standby list will be created.

Registration Close Out is Sunday May 5<sup>th</sup> at 12:00 PM.
