## **MEN'S OAKWOOD GOLF ASSOCIATION STANDING RULES**

These Standing Rules govern the general weekly operations of MOGA. The rules have been adopted by the MOGA Board of Directors to provide uniformity and continuity for the members. These standing rules can be amended, by a majority vote of the Board with no less than five (5) members, including at least 2 officers, present.

1. New members must have a handicap to participate in MOGA events. New members must provide:

A. USGA GHIN number or other proof of a current USGA index, or

B. A minimum of 5 attested 18 hole scorecards showing the course slope and rating.

2. Member will have a choice of playing the Blue or White tees. The player must declare his choice by 1 January of each year. A player can change this choice only once during the year. If a player does not select a tee, White tees are the default. The choice of Blue or White tees will be used for flighted tournaments.

3. Regular men's day will be every Thursday with the exception of holidays or when the course is closed. Sign up for play is accomplished using the Chelsea online or phone system. The signup deadline is 12 PM on the Sunday preceding the weekly tournament (see item #8).

4. Regular MOGA play will consist of 18 holes of golf. The MOGA Board and tournament director will determine the game and prizes each week. Winner's names are posted on the bulletin board and the MOGA Website.

5. The team captain is responsible for the accuracy of all submitted scores. Each foursome will keep a duplicate scorecard for verification purposes. The captain and another player must initial the official scorecard, thus confirming the accuracy of the scores.

6. The membership year begins on January 1st. If renewal dues are not paid by December 15th, a reinstatement fee will be charged. If dues are unpaid, you can NOT play.

7. Members who have signed up to play must check in at the pro shop at least 15 minutes prior to their tee time.

8. **ADD/CANCEL PROCEDURE** Thursday Play: You may add/cancel your participation in a weekly tournament up until 8 AM on the Tuesday preceding the tournament. To add/cancel, phone 480-317-3650, press 1 for MOGA and leave your message. If you do not cancel your participation you will be classified as a "No Show" and you may be excluded from the next week's tournament. Note: The Add part of this procedure is used to allow players to participate in a tournament if they forgot to register for the tournament by (noon) 12:00 PM on Sunday. Please use this sparingly as any abuse of this method to be added to a tournament will result in non-participation.

9. Members shall adhere to the Dress Code established by Oakwood.

10. All adjusted scores will be posted each time a member plays at least 13 holes or 2 consecutive 9 hole rounds (see USGA rules). Each member is responsible for posting his own score, **except for Thursday Men's Day Play when scores are posted by MOGA.**

11. All members are expected to play the game of golf in accordance with the normally expected standards of etiquette, the Rules of Golf and treating other members with respect. Any member, who is charged with conduct making him undesirable as a member, will be subject to suspension or termination by the board.

12. Speed of play is important to each tournament player's satisfaction. The team captain makes certain play is not unnecessarily delayed by any individual. Ready golf is the clubs method of play and will help speed up play.

13. Members are aware that Oakwood is our home and we own it! We pay for renovations and as such we need to take responsibility for the following:

- a. Fill all your divots, plus one or two others.
- b. Fix your ball mark and one or two others on the green.
- c. Pick up trash on the golf course and dispose of it properly.
- d. Be mindful of where you drive your carts. Stay out of wet areas and away from tee boxes and greens unless you have a handicap flag (then you need to stay at least 30 feet away from the green).
- e. IF YOU DON'T CARE, WHO WILL?

14. Scorecards not turned at the end of play are considered void and that team, regardless of their scores, is ineligible to participate in the weekly prize fund.

15. Settling Ties. If a play-off of any type is not feasible, matching scorecards is recommended. An acceptable method of matching cards is to determine the winner on the basis of the best score for the last nine holes. If the tying players have the same score for the last nine, determine the winner on the basis of the last holes to hole 1. This is the policy adopted by Oakwood Pro Shop and MOGA will abide by these rules.

## **Tournament & Weekly Sign-up Procedures**

MOGA uses a computer to sign up for regular Thursday MOGA events. The computer is located in the clubroom at the Pro Shop just to the right of the door as you enter the room from the main entry area.

Review the tournament date and tournament description to ensure that you want to play on that day in that event. This is very important because once you have entered your name there is no way to delete it from the computer. The only way it can be removed is to call the cancellation phone number (See chapter regarding the Add/Cancel Procedure) before the tournament pairings are made on Tuesday morning the week of the tournament. If you fail to cancel on time, you will be classified as a No Show for that tournament and may be excluded from the next tournament. (See chapter regarding No Show Policy)

To sign up for the tournament, use the mouse and right click in the Member Number field in either the AM or PM section, depending on the time of day that you wish to play. Enter your Local MOGA Number. You will see a screen that shows your name. If the name is correct, right click in the "OK" box and you will be entered in the tournament.

### **Chelsea Tee Time System**

The Oakwood Chelsea System is a random selection reservation system that can be accessed anytime of the day by calling;

480-895-1805

Reservations can be requested no earlier than two weeks prior to the play date. The call-in time period between 5 and 6 PM is reserved exclusively for the Ironwood golf course reservations; all other times are available for either course.

#### **HOW TO USE THE CHELSEA SYSTEM**

To make a Tee Time, you must have the Member Numbers for all golfers who will be covered by the desired tee time. The Member numbers are the person's telephone number (less the Area Code) followed by a 1 for the Male Golfer, 2 for the Female golfer and \* for a guest. The system will only recognize telephone numbers for golfers who are residents of Sun Lakes or full golf members that are non-residents.

Dial 480-895-1805 to connect to the reservation system. When prompted, Press; 1 for open bookings, 2 for event request, 3 for open request, 4 for review of your request or bookings.

You will be asked to enter the date you wish to play. Enter the date as mm/dd/yy; for example 032917, March 29, 2017.

You will then be asked to select a course to play;

1. Ironwood
2. Oakwood – Palms/Sonoran
3. Oakwood – Sonoran/Lakes
4. Oakwood – Lakes/Palms
5. Closest time on any IronOaks course

Next, enter the desired tee time in the form of HHMM; for example 08 12 for 8:12 AM or 01 30 for 1:30 PM, etc. Enter the number of golfers; 1 – 4 and then the Captains Member Number. The Captain is the person making the tee time. The Captain's Member Number is his seven Digit telephone number (no Area Code) plus a 1 for Male or 2 for Female for a total of eight digits.

Next enter the eight Digit Member Numbers for the remaining golfers covered by the tee time. If you are making a tee time for a guest who is not a resident of Sun Lakes, you must enter your own Member Number with the 1 or 2 at the end and then add an asterisk (\*).

You will then be prompted to tell whether you will need carts; 1 for one cart, 2 for two carts or 3 for no carts.

Chelsea will respond with acceptance of your desired booking.

Finally, the system will give you the option to read back all of the details of your tee time (1) or to post it (2). You will then receive an acceptance or request that you place your request again.

Next Chelsea will ask if you want all the members in this group to be sent an email confirmation of this request. If you select yes (1) it will advise you as each message is sent. Finally you will be provided with a confirmation number. It is very important that you **RECORD THE CONFIRMATION NUMBER. YOU WILL NEED IT TO CANCEL OR REVISE YOUR RESERVATION.**

If you make a mistake and need to correct data that you entered for your tee time, you can press 8 and return to the main menu.

You can do this up to three times before the system disconnects you.

If later, you wish to modify or cancel any portion of your tee time, you will need the confirmation number, and then call the same telephone number, 480-895-1805, and follow the instructions given on the voice response.

You also have the possibility of booking either a MOGA "Event" or a regular tee time online at:

<http://Ironoaks.chelseareservations.com>

You will have to establish a username and password to use this system. Details are available at MOGA Website.

### **SIGN UP/ADD/CANCEL/NO SHOW POLICY**

MOGA uses a telephone call-in system for members to add/cancel their participation in a tournament. The telephone number for canceling your participation in a tournament is 317-3650. This system is used by other golf organizations in Oakwood so you have to select MOGA by pressing the number 1 when prompted. After the MOGA greeting, clearly state your name, Local MOGA number and whether you are adding or canceling for the morning or afternoon and the date of the tournament.

IT IS VERY IMPORTANT THAT YOU ADD/CANCEL BEFORE 8:00 AM ON THE TUESDAY PRECEDING THE TOURNAMENT.

Members canceling after 8:00 AM on the Tuesday preceding the tournament will be classified as No Shows on Thursday, unless they call into the Pro Shop anytime after 8:00 am Tuesday but not later than 30 minutes prior to scheduled play.

### **NO SHOW policy**

#### 1. SIGN-UP:

MOGA members are required to use the Chelsea system to register for an event. This can be accomplished by using the online Chelsea reservation system, the reservation PC at the Pro Shop or via telephone (480-895-1805). A MOGA member can register for an event two weeks in advance. If you are unsure of your status to play on the event date, we suggest that you register and cancel if necessary. The Chelsea deadline for sign-ups is 12:00 PM (noon) on Sunday.

#### 2. ADD/CANCEL:

A player can add/cancel his reservation by using the Chelsea system before noon on Sunday or by calling the add/cancel line 480-317-3650 #1 by 8:00 AM Tuesday. Please state the event (AM or PM) you wish to add or cancel. A player must call the Pro Shop to cancel his scheduled play anytime after 8:00 am Tuesday and not later than 30 minutes prior to scheduled event. Using the above the player will not incur any penalty.

#### 3. NO SHOW:

A player, who has registered for an event but fails to show up, may not be eligible to play the next tournament. The MOGA President will make the determination if a player had an acceptable reason for not showing up. The MOGA President will notify the player of his eligibility to play in the next tournament.

**4. UNREGISTERED PLAYERS:**

Unregistered players will not be eligible to participate in the MOGA event. These players can play golf on a vacant hole available basis, but are not part of the tournament. The Pro Shop will determine hole availability. The term stand-by player is no longer in effect.

5. MOGA members that cancel within the required time frame will not incur any penalty.

Pro Shop Staff will have no involvement in deviating from these rules.

**ESC and score posting**

Definitions: Most Likely Score: This is the score that a player will post for handicap purposes when he starts but does not complete a hole or is conceded a stroke. This most likely score is the number of strokes already taken plus, in his best judgment, the number of strokes that the player would need to complete the hole more than half the time. This number is limited by the Equitable Stroke Control (ESC).

<b>EQUITABLE STROKE CONTROL (ESC)</b>		<b>MAXIMUM ON ANY HOLE</b>
9 or Less		Double Bogey
10 - 19		7
20 - 29		8
30 - 39		9
40 or More		10

**Posting Scores on the Internet**

A valuable service provided by the Arizona Golf Association is the ability to post your scores using the internet. Go to the website at [www.GHIN.com/scoreposting.aspx](http://www.GHIN.com/scoreposting.aspx). Enter your GHIN number and last name, you will need to establish a password of your own choosing but then you can post your scores from home. You can also access the GHIN website from the MOGA website.

This is normally a match play both days; however the IMGGA Board, MOGA Board, and the Tournament Director's from IMGGA and MOGA will determine the format.

## Game Description

**ALTERNATE SHOT (two man team):** Alternate Shot is a competition format in which 2-person teams alternate hitting the same ball. The first player tees off, the second player hits the second shot, the first player hits the third shot, and so on until the ball is holed.

**ABCD BEST BALL:** The best net score of the players on each hole. The handicap strokes are taken as they fall on the scorecard. (May be scored as 2 or 3 best net scores.)

**CHA, CHA, CHA (four man team):** 1, 2, 3 best net balls. 1 ball on 1st hole, 2 balls on 2nd hole, 3 balls on 3rd hole. Repeat process for 18 holes. (In shotgun format, Hole #1 on the scorecard is the first hole for all players to begin counting 1 ball.)

**CHAPMAN (two man team):** Both players tee off. Player A hits his player B's ball and player B hits player A's ball for the second shot. The team then selects one player's ball to play. The other hits the third shot. Then players alternate shots until the ball is holed. Use 1/2 combined handicap.

**ABCD LOW-NET FOURSOME:** The total score of the four players, less handicaps, determines the winning team.

**LOW NET:** Individuals with lowest 18 hole net scores determine winners. Generally this is done by flight.

**MATCH PLAY:** Following USGA Match Play Rules: 2 man match play is competition between 2 players of comparable handicap using net scores. The handicap strokes are taken as they fall on the scorecard. Team match play is 2-- two man teams competition using best net ball of the team.

**SCRAMBLE (two or four man team):** All players tee off. The Captain selects the best shot. All hit again; continued in this manner to the completion of the hole. Once the ball is in the hole, all putting is completed. Use average of the player's handicaps. Drives may be limited by tournament committee.

**SHAMBLE.** All players tee off. The Captain selects the best drive and then players play their own ball to the hole. Drives may be limited by the tournament committee.

**THREE CLUBS MONTE.** Players can only bring three clubs plus a putter to the event. This can be an ABCD or a flighted tournament.

## MOGA Web Page

MOGA maintains a web page to provide important golfing and community information to members. The web page can be found at [www.mogagolf.org](http://www.mogagolf.org).

The web page is updated frequently with current club news, pairings, and tournament results. It will also have various forms that can be printed for attending upcoming MOGA events and re-registering as a MOGA member. You can use the links provided to send e-mails to MOGA officers and committee chairmen. The web page also provides a link to the Arizona Golf Association (AGA) web page so you can post your scores from home and maintain your handicap when you are away from Sun Lakes.

Some of the web page uses the .PDF document format that is not compatible with older versions of WEBTV. Newer versions of WEBTV are reported to have the capability to handle the .PDF document format that is required to access pairings, results, and download forms.

## MOGA History and Past Presidents

The men's golf organization at Oakwood began on Feb. 19, 1985. It started with forty members. Tournaments were played on Saturdays.

Since the Oakwood course had only nine holes at that time, the club was named the Men's Oakwood Nine Golf Association (MONGA). When the Oakwood Course expanded to eighteen holes in 1988, the organization became an eighteen-hole club and the name was changed to the Men's Oakwood Golf Association (MOGA).
